

100 Common Teaching Mistakes and How to Prevent Them With a Focus on Higher Education

by
Victoria Nesnick, Ed.D.

100 mistakes and their preventative strategies are organized into 10 essential areas to enhance teaching for beginning and experienced educators:

- 1) While Preparing to Teach**
- 2) While Preparing Syllabi and Lesson Plans**
- 3) At the Beginning of Class**
- 4) During a Lesson**
- 5) While Interacting With Students**
- 6) During Q & A Sessions**
- 7) While Designing and Implementing Assessments**
- 8) While Assigning Classwork and Homework**
- 9) At the End of Class**
- 10) After Class**

**"I wish I had this valuable guide
when I first started teaching.
It would have made my job easier
and saved my students
some unfortunate suffering."**
